ACHIEVEMENT TESTING

This may seem like a long time off, but the dates are fast approaching. We are asking that you NOT schedule any appointments or vacations for your child during this week, April 8-12. Also, if you do have anything on the calendar for that week, if at all possible, we would appreciate it if you could try to reschedule. Administering the Achievement Tests is very difficult to complete for a student who was absent during their regularly scheduled testing time. Thank you for your help in this area.

FINE ARTS FESTIVAL

Congratulations to all of our participants in this year's Fine Arts Festival! Once again we showcased some really great talent. These students and their hard work are such a blessing to everyone who sees them.

Thank you...

to Mrs. Andrea Brown who put countless hours in to the planning and prepping for the day. Her skills are what make this day go so well each year.

to our accompanists who graciously gave their time & talents to practice with students over the last several weeks.

to our teachers who worked to help the students "polish" pieces.

to the Judges who sacrificed their time to be a part of our day and who kindly helped our students know where they excelled and where they can grow.

Keep up the hard work students. We can't wait to see how far you've grown in your efforts next year!

CONGRATULATIONS

Madeline Myers, Eleventh Grade, received the Top Award at the ACSI Fine Arts Competition last Tuesday for her piano solo, "It Is Well".

Great job to all of the other participants as well.
